Additional Information

☆ **Outside Food/Concessions:** Spectators will not be allowed outside food or beverages. This is enforced by venue staff! There will be concessions (food/drink/snacks) available for purchase within the arena. CDE encourages "team" participants to bring a bottle of water and snack in their bag as concession lines can get long.

☆ **No Coolers, Whistles, Airhorns, Laser Pointers:** Please remain seated and refrain from conversations when a team is performing. A team's program will be disqualified if any fan, parent, or team member is found using a laser pointer – NO EXCEPTIONS!

☆ **Glitter, Hairspray, and Fire Alarms:** CDE and the venues that host our events strictly prohibit indoor spraying of glitter and other aerosol sprays (i.e. hairspray). If you choose to use these products, they must be used outdoors or in a designated area. Aerosol sprays are a health hazard and interfere with fire alarm systems. If a cheerleader, dancer, and/or spectator of any team plays/pulls a fire alarm – the team will automatically be **disqualified**, and necessary fines/lawful penalties WILL BE ENFORCED with no refund.
