

Virginia Beach Convention Center Parking Information

Although the VBCC has been operating with reduced parking since October, the impact has been minimal. Additional parking, to be constructed between the Sports Center and Birdneck Road, is expected to be available this summer. Land for this has been cleared and graded and a new storm water pond has been constructed. To mitigate the impact of reduced parking, here is what we've done:

- Installed new dynamic signs at each entrance that display the number of parking spaces available in each lot. Customers now know when a lot is full, or approaching full.
- We've put boots on the ground when needed. Staff from our contractor, Republic Parking, direct guests to available lots, and when full, direct them to remote lots.
- We've deployed temporary EVENT PARKING signs all around our site when full lots are expected. These signs direct guests to remote parking lots. When our lots fill up, guests are directed by signs and staff to overflow lots.
- We've purchased two really cool looking shuttle vans to transport guests from remote lots back to VBCC's front door then return them to their cars.
- We're using several nearby overflow parking lots based on when your event takes place and are grateful to the Runnymede Corporation, The Ambassadors Inn & Suites and the City's Parking Management Office for providing alternatives.

To accommodate more cars, we've placed some restrictions on the types of vehicles that can park here. We now restrict the following:

- o **Recreational Vehicles and campers – day and night**
- o **Trucks over 18'**
- o **Tractor trailers, accept as required for loading and unloading at our docks**
- o **Motor Coaches and buses**
- o **Towed trailers that when disconnected take more than one parking space**

Alternatives to park oversized vehicles/trailers include:

- Oceanfront Outdoor Storage
 - o 959 Virginia Beach Blvd.
 - o (757) 491-2800
 - o \$10/day, \$50/week
 - City of VB 4th Street Municipal Lot
 - o 306 4th Street
- Operating Hours:
8am to 12:00am (midnight)
Towing enforced at 12:00am (midnight)

Rates:

\$7 Monday - Thursday

\$10 Friday - Sunday

Oversized vehicle Rates*:

*Can not unhitch trailer from vehicle

In Season \$15/ Off Season \$0 for day parking
