### COACHES ENTRANCE

All coaches must report to Coach Check-in to be permitted into the event. Coach Check In will be located to the Right of the main entry doors. A coaches list is to be provided prior to the event. Only those coaches on that list will be granted Coach Credentials.

### PERFORMANCE FLOOR & UP-FRONT VIEWING

The Roland E. Powell Convention Center will have floor seating and an upfront fan viewing area. The performance stage (performance floor & warm-up areas) is for ATHLETES and CREDENTIALLED COACHES/STAFF ONLY. Those who do not have credentials will not be permitted on the performance stage. This includes – performance time; warm-up time; awards time; AND after awards time. This also includes "team parents & music staff". If you have someone designated as personnel, then they must have a coach pass and be listed on the coach list to access these areas.

\*This includes team parents coming to the performance stage to pick up teams\*

There is an Up-Front Fan Viewing Area for your families/fans to watch and support your team(s) only. This is not a place to stay throughout the event. It is to be used to view a single team at a time from your program.

Please note that anyone breaking this rule will be asked to leave the area and exit the venue immediately.

## PHOTOGRAPHY/VIDEO

CDE will not permit any videos/photographs to be filmed/taken in the warmup areas. If you are a program with a team photographer/videographer, then that person must have the proper coach credentials to do so and may ONLY film/photograph pre-submitted teams from your program.

Please remind parents/spectators to not film/photograph warmups from their seat. They will be permitted to film/photograph the performance from their seat of their child/program only.

THANK YOU for cooperating with CDE as we add additional protective measures at our events.

## Additional Information

☆ **NO ATMS:** The Convention Center is a cashless venue so there are no ATMs available to get cash at the venue. The concession stands will only accept card payments. Ticket sales are CASH ONLY so be prepared prior to arriving with cash for tickets.

☆ **Outside Food/Concessions:** Spectators will not be allowed outside food or beverages. This is enforced by venue staff! There will be concessions (food/drink/snacks) available for purchase within the arena. CDE encourages “team” participants to bring a bottle of water and snack in their bag as concession lines can get long.

☆ **No Coolers, Whistles, Airhorns, Laser Pointers:** Please remain seated and refrain from conversations when a team is performing. A team’s program will be disqualified if any fan, parent, or team member is found using a laser pointer – NO EXCEPTIONS!

☆ **EMT/MEDICAL:** An EMT/Medical Personnel will be on site for the event.

☆ **Glitter, Hairspray, and Fire Alarms:** CDE and the venues that host our events strictly prohibit indoor spraying of glitter and other aerosol sprays (i.e., hairspray). If you choose to use these products, they must be used outdoors or in a designated area. Aerosol sprays are a health hazard and interfere with fire alarm systems. If a cheerleader, dancer, and/or spectator of any team plays/pulls a fire alarm – the team will automatically be **disqualified**, and necessary fines/lawful penalties WILL BE ENFORCED with no refund.
