

Sporting Events: Evacuation

In the event of an emergency evacuation, all patrons, team members, coaches, and staff must exit the building. No individual should re-enter the building until authorized to do so by VBCC staff.

- VBCC event staff will direct crowds to the designated assembly area (**The Veteran's Memorial**) across 19th Street. Please see the indicated area on the map below.
- **While a team is separated from their parents/guardians, coaches are responsible for evacuating their team to VBCC North Parking Lot 3 to reunite members with their parents/guardians.** Please see the indicated area on the map below.

If a child is missing, the VBCC Manager on Duty will notify emergency responders of their description and last known locations, and will follow the proper procedures to ensure the child's safety and reunification.
